InterSearch Group, Inc., through its subsidiaries, provides Internet paid search and advertising services that facilitate access to relevant information on the Internet. The company also offers corporate services, which include Internet technology professional services in the areas of information technology and search engine marketing primarily to companies principally in the financial services industry. It has strategic partnerships with Yahoo! Search Marketing and Ask.com to provide sponsored listings on the Web properties that the company owns and/or manages. InterSearch Group was founded in 1994 and is headquartered in San Francisco, California.
